Class I Cantaloupe Recall

– DFI Marketing, Castellini Produce, Club Chef, Cut Fruit Express, McEntire Produce

At a Glance: DFI Marketing of Fresno California has issued a Class I Recall of cantaloupe because of the possibility of Salmonella contamination. The contamination was found during a routine USDA sampling. No illnesses associated with the cantaloupes have been reported. The recall has triggered recalls from other distributors or further processors including Castellini Brothers, Club Chef, Cut Fruit Express and McEntire Produce. It is likely that the Recall will expand further. Additional information can be found at <http://www.fda.gov/Safety/Recalls/ucm319333.htm?source=govdelivery>.

The Issue: *Salmonella* is a common food borne pathogen that can cause severe illnesses, including fever, abdominal cramps and diarrhea. While most cases are mild, very young, very old, and immunocompromized individuals can be more severely impacted.

Am I Impacted? US Foods' number one priority is to notify any customer impacted by a recall. Our distribution centers affected by this recall have already begun to contact affected customers. . If this recall expands, we will contact any additional customers impacted. If you purchased a recalled product from us, you will be contacted shortly, or have already been contacted. If you purchased products elsewhere, use the information above to check with your supplier.

What You Can Do:

- Avoid eating or serving any recalled products
- Do not use any of these products as ingredients in recipes, even if cooked.
- Follow instructions to discard or return recalled product
- Discard recalled products in a manner that prevents others from eating them
- Persons who think they may have become ill with a food-borne illness should consult their health care providers
- Review your own internal recall procedures- does your staff know what to do if they receive notice that a product is being recalled? Typically only specific lot codes are affected.
- Purchase all of your supplies from a company with a robust recall program that can keep you aware of recall and food safety issues
- Help us serve you better. Provide your distribution center with a valid email address so we may provide you with recall information faster.

US Foods Policy:

This *Fast Facts* is based on the best available information when written. Recalls can be expanded or impact additional product as additional suppliers verify their own supply chains. An updated Fast Facts will be provided as new information becomes available. US Foods will only contact customers IF they purchased recalled products from us.
