## **TYSON Class I Recall Uncooked Breaded Chicken**

**At a Glance:** Tyson Foods Inc. of Russellville, Ark. is issuing a Class I Recall on approximately 127,000 lbs. of uncooked breaded chicken tenderloins and uncooked chicken tenderloin fritter products because of an undeclared allergen and misbranding. The product contains soy, a known allergen not declared on the label.

**The Issue:** The following products are being recalled:

- 20-lb. packages of "SPARE TIME Uncooked Chicken Tenderloin Fritters" bearing the establishment number "P-5839" inside the USDA mark of inspection and a case code of "7083861."
- 10-lb. packages of "Tyson UNCOOKED, BREADED CHICKEN TENDERLOINS" bearing the establishment number "P-5839" inside the USDA mark of inspection and a case code of "7083928."

The products were produced between March 1, 2013 and March 27, 2013. The cartons bear a package code of "0603TYLxxxx", "0663TYLxxxx", "0733TYLxxxx", "0773TYLxxxx", "0813TYLxxxx", or "0863TYLxxxx" under the product code. The xxxx represents a time stamp.

Persons allergic to soy may suffer an allergic reaction upon consuming this product.

**Am I Impacted?** US Foods' number one priority is to notify any customer impacted by a recall. Our distribution centers affected by this recall have already begun to contact affected customers. If you purchased a recalled product from us, you will be contacted shortly, or have already been contacted. If you purchased products elsewhere, use the information above to check with your supplier.

### **What You Can Do:**

- Avoid eating or serving any recalled products
- Do not use any of these products as ingredients in recipes, even if cooked.
- Follow instructions to discard or return recalled product
- Discard recalled products in a manner that prevents others from eating them
- Persons who think they may have become ill with a food-borne illness should consult their health care providers
- Review your own internal recall procedures- does your staff know what to do if they receive notice that a product is being recalled? Typically only specific lot codes are affected.
- Purchase all of your supplies from a company with a robust recall program that can keep you aware of recall and food safety issues
- Help us serve you better. Provide your distribution center with a valid email address so we may provide you with recall information faster.

### **US Foods Policy:**

This *Fast Facts* is based on the best available information when written. Recalls can be expanded or impact additional product as additional suppliers verify their own supply chains. An updated *Fast Facts* will be provided as new information becomes available. US Foods will only contact customers IF they purchased recalled products from us.

Customers, please contact Greg Pallaske, director of regulatory compliance (847.232.5884) for additional information. Media inquiries can be directed to Lisa Lecas, communications manager (847.720.8304)
