Product Inspiration

The charms of Italy are never far away when you can indulge in authentic flavors here in America. We've partnered with an Italian pasta company that has been in existence since the late 1800s, making it easy to bring old-world tradition right to you. Chef's Line™ stuffed pastas in three unique varieties – buffalo mozzarella girasole, porcini and truffle cappellacci, and pumpkin ravioli – are as genuine as you'll find. Each is made with 30% egg for a tender bite and comes filled with more than 50% of premium ingredient combinations.
