

ALL NATURAL ITALIAN STYLE MEATBALL ALL NATURAL JALAPEÑO CHEDDAR MEATBALL

Sure, more than 1/3 of restaurants serve meatballs, but most don't serve meatballs anything like these. Our meatballs are different because they are all natural, and they're made according to the recipe of Pat LaFrieda's grandfather.

Designed and created for chefs with high standards

Only ingredients of the highest caliber make their way into our Chef's Line® products. Designed and created for chefs who insist on the best, Chef's Line is what you would make if you had the time. So we've provided meatballs with flavor and quality, made back of the house.

Product Inspiration

The LaFrieda family takes a lot of pride in its meatballs. Grandfather LaFrieda's recipe is all natural and pure Italian, with real pork, for a rich, firm, meaty bite. There's no skimping on anything else either.

The All Natural Italian Style Meatballs are flavored with real Parmesan cheese, a little salt, some parsley, and Italian seasonings, that's it.

The All Natural Jalapeño Cheddar Meatballs are lightly seasoned and include real, diced jalapeño peppers and genuine, natural Wisconsin cheddar cheese.
