#### Product Inspiration

Molly's Kitchen has given an exciting, upscale twist to one of America's favorite comfort foods by combining al dente pasta with eight delicious cheeses—Romano, parmesan, American, aged white cheddar, cream cheese, Fontina, cheddar and either smoked Gouda or pepper jack—in a lightly battered, bite-size nugget of rich, creamy perfection. Our Smoked Gouda bites have a mellow, smoky flavor while the Pepper Jack version is buttery and slightly spicy with a touch of jalapeño. Both are surprising and tasty spins on the traditional that add energy and excitement to your menu.
