TM

Delight customers with three irresistible gourmet muffins that are upscale, satisfying and delicious.

**Product Inspiration**

Few things in life are more tempting than a soft, fresh-baked muffin. Our blueberry buttermilk muffin is loaded with juicy Georgia wild blueberries and a touch of creamy buttermilk topped with course sugar for a nice crunch. We use premium, semi-sweet Belgian chocolate chips in our double chocolate muffin and finish it with cinnamon streusel and chocolate chunks. Our apple cinnamon muffin is filled with delicious Michigan Rome apples topped with crumbly streusel.
