### Product Description

Two incredible tastes that have been stimulating palates for generations are recreated here to help you keep up with the most modern culinary trends of today. Utterly complex and radically versatile, our Spicy Secret Sauce and Caramelized Balsamic Onion Jam will take your customers' taste buds to new places they'll want to savor again and again.

#### Spicy Secret Sauce

Rated as one of the top 5 ingredients of 2014 – the next Sriracha – this sauce is created using an authentic Gochujang recipe, including fermented soybeans, red pepper powder and rice. The tangy sweet and spicy flavor delivers a flavorful experience. It can be used on everyday menu items to deliver a unique twist.

#### Caramelized Balsamic Onion Jam

This super savory jam starts with potent red onions, roughly chopped and sautéed, then combined with a blend of red wine and balsamic vinegar. The end result looks and tastes like you made it yourself back-of-house. Pairs well with meat dishes; adds intrigue to dips, stews, or as a burger topping. Outstanding on a charcuterie board.
