DEEP FRIED TURKEY BREAST

*All
Natural**

*No Artificial Ingredients | Minimally Processed | No Preservatives | No Binders or Fillers

Pile it on, along with the profits.

Our innovative, kettle-frying method gives you a super-flavorful turkey that your competitors don't offer. We fry it for over 5 minutes in a vegetable oil blend for a deep, rich taste (with just 1.5 grams of fat per serving) and a tender, toothsome bite.

Product Description

A remarkable achievement: delicate, deep-fried turkey flavor without the fat... or the garage fire! You save all that frying prep time because we do it for you and the results taste like you just cooked it yourself. Cut it thick or thin; stack it on a ridiculously delicious sandwich or pile that southern fried flavor straight onto a plate. Hot or cold, cubed or Julienned, it's sure to set your kitchen apart.
