

PREMIUM PANKO BREADED CHICKEN TENDERLOINS, BREAST CHUNKS AND BREAST FILETS

Japanese-style panko crumb breading delivers a light and crispy texture. The crumbs are coarse and dense but result in a coating that delivers a unique bite when used in sandwiches and salads or when paired with a dip. The nature of the breading helps to keep these items crispy for a longer period of time!

Patuxent Farms®

With authentically fresh flavors, Patuxent Farms meats are wholesomely delicious from beginning to end. You can always count on the finest, freshest quality, taking you back to the farms and fields.

Product Inspiration
