

EFFICIENCIES WITHOUT COMPROMISE TO PATIENT EXPERIENCE

WHAT STRATEGIES HAVE YOU ENABLED TO ACHIEVE BUSINESS OBJECTIVES IN YOUR FOODSERVICE OPERATIONS?

Tighter budgets require acute care foodservice operators to effectively understand and proactively manage all aspects of cost within each of their departments.

Our industry-leading experience and proven track record of helping acute care operators identify and execute cost-reduction strategies makes US Foods® the perfect partner for your operation. Together with our experts, you'll develop a customized road map of solutions to discover new ways to reduce costs, improve labor and staffing and boost revenue flow – all while increasing patient satisfaction.

“Customers experience an average reduction of 5% in overall operational expense when fully engaged with our team and tools.”

– Rob Burkart, Vice President, Healthcare National Sales, US Foods
