

LABOR STAFFING SOLUTIONS FOR HEALTHCARE FOODSERVICE

Finding qualified, trained staff is an ongoing challenge for healthcare operations. Limited staff and turnover are top challenges. Operators are seeking more assistance with training and menu planning. These tools, and our Business and Menu Solutions Specialists, can assist your operation.

BASELINE® DIAGNOSTIC TOOL

Baseline® is how we gather the information needed for financial analysis, then help you interpret the data to create an action plan that saves on costs, grows revenue and enhances productivity.

PINEAPPLE ACADEMY

Pineapple Academy delivers online foodservice training solutions to advance culinary cultures in Senior Living and Healthcare Foodservice operations. They utilize specific micro-learning techniques and each lesson is optimized to make learning easy and enjoyable for maximum retention.

EXPANDSHARE

These digital training programs can enable operators to quickly onboard new staff, implement new processes and expand menu offerings, while maintaining a consistent experience across all locations through an easy-to-use mobile app.

IMPRINTS®

Imprints® is a digital library of foodservice and safety in-service modules geared toward training your team on various foodservice topics to help improve safety and drive operational efficiencies.

PRODUCT STANDARDIZATION

We can review your purchases and identify opportunities where you can achieve more savings with your particular agreements. The higher the participation level in manufacturer agreements, the greater the savings.

FINANCIAL OPERATING REPORT™

This easy-to-use tool updates you weekly or monthly and delivers trend reports that guide and validate action steps.

LABOR FOCUS

Labor Focus is a self-directed tool designed to assess staffing and optimize your productivity. A dynamic, self-directed software program, Labor Focus helps you evaluate labor patterns across all areas of your foodservice operation.

IMPACT™

Start leveraging the knowledge of experienced foodservice professionals in demonstrating to your administration your ability to take a proactive approach to marketplace changes.
