Single-Product Sell Sheet Template (REMOVE THIS COPY AND BOX WHEN UPDATING SELL SHEET)

We've created these single-product sell sheet templates for your use across any product you choose to feature. Simply fill in the official product name, along with product details and images based on the labels and guidelines within the template. We've made this process as easy as possible for you. This will also help us maintain a consistent look and feel across all US Foods® brands and products.

Photo Guidelines

Image should be at least 200 dpi.

Image should not be increased more than 150% of its original size.
