Multi-Product Sell Sheet Template (REMOVE THIS COPY AND BOX WHEN UPDATING SELL SHEET)

We've created these multi-product sell sheet templates for your use across multiple product features or product families. Simply fill in the name of the brand featured, along with product names, details and images based on the labels and guidelines within the template. We've made this process as easy as possible for you. This will also help us maintain a consistent look and feel across all US Foods® brands and products.

Photo Guidelines

Image should be at least 200 dpi.

Image should not be increased more than 150% of its original size.
