ECOS[®] PRO

CREATE A SAFER, HEALTHIER ENVIRONMENT

Manufactured under the trifecta of sustainability. ECOS[™] Pro cleaners are produced in facilities that are carbon neutral, water neutral and Platinum Zero Waste certified. Made in the USA in California, Illinois, New Jersey and Washington using thoughtfully sourced global ingredients.

We offer over 140 U.S. EPA Safer Choice-Certified Products—more than any other company! Our wide selection of plant-powered, Safer Choice-certified products meet the U.S. EPA's high standards of safety, performance and innovation.

USDA BioPreferred[®]

Many ECOS[™] Pro cleaners participate in the USDA's BioPreferred[®] program, which aims to increase the use of renewable agricultural resources, reduce reliance on petroleum, and help reduce adverse environmental and health impacts.

All ECOS[™] Pro products are GHS-Compliant and compliant with all U.S. federal and state 'Right to Know' labeling laws. We're a transparent manufacturer with full ingredient disclosures and do not test on animals.

Liquid Laundry Detergent

ECOS[®] Pro Liquid Laundry Detergent cleans thoroughly yet is remarkably gentle on fabrics, extending the life of bedding, linens and clothing. Reliable and environmentally preferable ECOS[®] Pro Laundry Detergent is safely hypoallergenic with a built-in fabric softener. For use in high efficiency or standard machines, in hot, warm or cold water. Colors stay bright! This readily biodegradable, pH balanced formula is made using sustainable, plant-powered cleaners. Made without dyes. Greywater and septic safe.

USDA BioPreferred[®]

Dish Liquid

ECOS[®] Pro Dishmate[™] Manual Dishwashing Liquid cuts through grease and gets the job done. This unique formulation leaves less residue on dishes for a quicker rinse time and reduction in water usage. Gentle on hands, it's hypoallergenic, pH balanced, made using sustainable, plant-powered cleaners and readily biodegradable. Made without dyes. Greywater and septic safe.

ECOBREEZE[®] Odor Eliminator

Effectively eliminates the toughest malodors from fabrics, including cigarette smoke and pet odors. Can be directly sprayed onto any water-safe surface. Will not stain or leave behind any sticky residue. Can also be used as a general air freshener. Lavender Mint or Magnolia & Lily scent.

USDA BioPreferred[®]

Stain & Odor Remover

Effectively removes water-based and oil-based organic stains and odors using a unique blend of enzymes and plant-derived surfactants. Can be used on a wide range of porous and non-porous surfaces including hardwood floors, carpet, laundry and upholstery. Excellent upholstery cleaner. Will not set stains or fade colors on any surface. Leaves light lemon-fresh scent behind.

ECOSTM Ice Melt

Made with ingredients that are safer for people, pets and vegetation, ECOSTM Ice Melt helps keep parking lots, sidewalks, alleys and other ground surfaces safe during inclement weather. Our U.S. EPA Safer Choice-certified, mineral-based formula melts ice down to -13°F (-25°C), prevents dangerous ice formation and can even be used on surfaces made slippery by snow and rain. In a convenient 6.5 lb. bottle with a handle, it's easy to lift, pour and store too!
