Vanilla Frosting

## PREPARATION

1. Prepare yellow cake mix according to the instructions on the packaging and preheat oven to $350^{\circ} \mathrm{F}$.
2. After cake batter has been prepared pour the cake batter into a well oiled pan.
3. Sprinkle in 5 cups of frozen blue berries and swirl the cake batter mixture.
4. Bake cake at $350^{\circ} \mathrm{F}$ degrees until the cake has set.
5. Allow the cake to cool completely and remove from the pan. Ice the cake and cut into squares.
6. To plate, place a square of the cake on the plate and top with a few of the frozen blueberries.
