

# US FOODS® DIRECT FLEXIBLE LEAD TIME

Flexible Lead Time is a US Foods® Direct capability that allows for increased assortment options and greater delivery predictability during times of varied vendor and carrier performance.

## HOW DOES FLEXIBLE LEAD TIME WORK?

- Allows for greater delivery date accuracy
- Lead Times are estimated for each item to each customer
- Flexibility enables all items to be available to all markets
- Gives greater predictability and enables increased product offerings

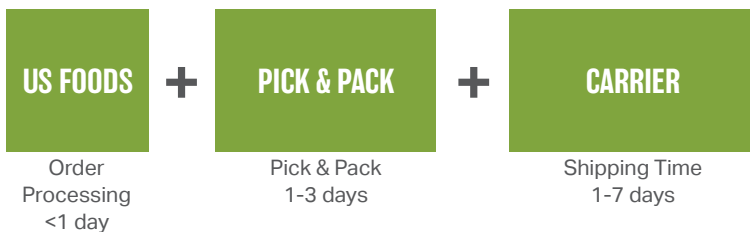

## WHERE TO SEE FLEXIBLE LEAD TIME

- Lead Times for each item are managed relative to current vendor and carrier performance
- This Lead Time can be found in the "Estimated Delivery" date seen at time of purchase

## SAME EXPERIENCE ACROSS DEVICES

- Get the same shopping and ordering experience, whether on a PC, tablet or mobile phone
