The GREAT Kitchens Program: Gluten-Free Resource Education and Awareness Training

GREAT Kitchens, an online program of the National Foundation for Celiac Awareness (NFCA), trains members of the restaurant industry to effectively offer gluten-free options with confidence. NFCA is a partner of US Foods®, and GREAT Kitchens is a preferred service provider through US Foods Resource Advantage program.

- Understand how to properly read ingredient labels and adjust recipes so that they are appropriate for people with celiac disease and gluten sensitivity.
- Get the tools and resources you need to train your staff and maintain gluten-free protocol throughout your operation.
- Gain trust and confidence by communicating clearly about your kitchen practices.
- Great for bakeries, restaurants, hospitality, colleges/universities, schools and camps.
