## HOW TO REQUEST YOUR VALENTINE'S BUNDLE

[GO BACK TO MENU DESIGN DASHBOARD](#)

If you have collected all of the files for your customers design and/or print project then you are ready to complete the full design request below. Please select project type from the drop down below. This submission does not initiate design, one of our menu managers will contact you in approx. 3-4 business days to kick off your project request.

## 5 MENU DASHBOARD

Walk through the steps to complete all the necessary information on the project request form.

## 6 COST ESTIMATE

When finished, click on "NEXT" to see the project estimate.

## 7 FINISH PROJECT REQUEST

Once on the estimate page, you have the option to:

### SUBMIT PROJECT REQUEST

Choose this option when you've uploaded all information and are ready to submit the request; it will show in your dashboard as "IN PROGRESS" and a Menu Manager will reach out to you soon.

### EDIT MY ESTIMATE

Choose this option if you want to make changes on the previous page and see a new estimate.

### SAVE AS DRAFT

Choose this option if you're not quite ready to submit the project; it will save to your dashboard as "DRAFT" and you can finish it at a later date.
