Food Innovations- Staphylococcal enterotoxin Class 1 Recall

At a Glance: Food Innovations, a re-distributor for Murry's Inc, a Lebanon, Pa establishment, is issuing a Class I Recall on a Gluten Free Breaded Chicken Breast Nuggets. The product is under the Bell and Evans Brand, has an expiration date of Aug 9, 2015 and is from establishment number "P-516". This recall follows the Murry's, Recall issued on October 25, 2014 due to possible contamination with Staphylococcal enterotoxin. No illness have been reported and a link to the original Recall Notice can be found at <http://www.murrys.com/recall?nwsid=9f930ca6-19d1-9ef1-5684-28391e77bf56>

The Issue: *Staphylococcus aureus* is a bacterium found on the skin and in the noses of some people and animals and can produce different toxins responsible for Staphylococcal food poisoning, a gastrointestinal illness. Staphylococcal enterotoxins are fast acting and sometimes can causing illness in as little as 30 minutes after; however, symptoms usually develop within 1-6 six hours after eating the contaminated food. Patients typically experience several of the following: nausea, vomiting, stomach cramps, and diarrhea.

Am I Impacted? The recalled product was shipped to five US Foods divisions and all affects customers have been contacted.

What You Can Do:

- Avoid eating or serving any recalled products
- Do not use any of these products as ingredients in recipes, even if cooked.
- Follow instructions to discard or return recalled product
- Discard recalled products in a manner that prevents others from eating them
- Persons who think they may have become ill with a food-borne illness should consult their health care providers
- Review your own internal recall procedures- does your staff know what to do if they receive notice that a product is being recalled? Typically only specific lot codes are affected.
- Purchase all of your supplies from a company with a robust recall program that can keep you aware of recall and food safety issues
- Help us serve you better. Provide your distribution center with a valid email address so we may provide you with recall information faster.

US Foods Policy:

This *Fast Facts* is based on the best available information when written. Recalls can be expanded or impact additional product as additional suppliers verify their own supply chains. An updated Fast Facts will be provided as new information becomes available. US Foods will only contact customers IF they purchased recalled products from us.
